Woodbridge, VA— Belvoir Federal Credit Union and the American Red Cross teamed up to host a Blood Drive on December 30, 2008, at the Credit Union’s Woodbridge Branch. Thirteen units of productive pints were collected which have the potential to save 39 hospital patients who rely on this life-saving blood. “It is important for our groups to help out the Red Cross during the holiday season”, stated Kelly Parris, Account Representative, American Red Cross. “We have a very hard time collecting units during the holidays because of people’s busy schedules and cold and flu season. Belvoir Federal Credit Union’s drive helped keep our hospitals away from dangerous levels of blood on their shelves.” For more information on becoming a blood donor, please visit www.givelife.org.

Belvoir Federal Credit Union is a full-service, member owned, not-for-profit financial cooperative focused on providing the foundation for the financial success of its members. For more information about Belvoir Federal Credit Union, please visit our web site at
