Woodbridge, VA— Belvoir Federal Credit Union recently hosted the CEO of GeoVista Credit Union and four staff members of Woodville Tompkins Technical Career Institute. The request came from GeoVista Credit Union who will be partnering with Woodville Tompkins to provide an in-school student run credit union branch at the technical career institute in Savannah, Georgia.

The visit included meetings with Belvoir Federal Credit Union staff responsible for the establishment and ongoing operations of their five in-school student run branches, a tour of BFCU's successful student run Champion's Branch located inside Gar-Field Senior High School and conversations with Gar-Field's Business Department Chairman, Pat Hogan and Administrator Brian Bassett.

Belvoir Federal Credit Union established The Champions Branch at Gar-Field Senior High School in 2005 and since that time has proudly provided students with real world financial literacy, fiscal education and the opportunity to explore future employment options at the credit union.

Patricia Kimmel, CEO Belvoir Federal Credit Union said, “The guests from GeoVista and Woodville Tompkins Technical Career Institute left energized with a renewed commitment to one another and to financial education for the youth”.
