Woodbridge, VA— Belvoir Federal Credit Union employees recently raised \$600 in one week, donating generously to the American Red Cross Armed Forces Emergency Services. The American Red Cross depends entirely on the generosity of the community. The donations will help provide blankets, comfort kits, food and clothing.

In addition, Belvoir Federal hosted a Blood Drive on June 5th at the credit union's Woodbridge Branch. Eleven units of productive pints were collected which have the potential to save 33 hospital patients who rely on this life-saving blood. "The 11 units are critical to our hospitals at this time when so many people aren't donating due to travel and nice weather" said Kelly Parris of the American Red Cross.
