Woodbridge, VA— Belvoir Federal Credit Union’s in-school branch tellers from Gar-Field and Woodbridge Senior High Schools recently celebrated another successful year of operation. Four graduating seniors received movie tickets and a backpack as a thank you for their commitment to the branch and their schools.

April Jung, a longstanding student teller at Gar-Field Senior High School’s Champion’s Branch commented on her experience saying, “working at Belvoir Federal Credit Union’s in-school branch has been such a rewarding experience. I was able to reach financial independence while also assisting my peers to do the same.”

Belvoir Federal Credit Union operates five in-school student run branches in Prince William and Fairfax Counties. The branches are staffed by student tellers and provide students with hands-on experience in the field of financial services. Students using the branch learn money management skills that will prepare them for life after graduation. High school students are be able to open their own checking and savings accounts and have their own debit card provided they take a required online financial education course.

Belvoir Federal Credit Union is a full-service, member owned, not-for-profit financial cooperative providing the foundation for the financial success of our Members. For more information about Belvoir Federal Credit Union, please visit our web site at www.belvoircreditunion.org.
