Credit Union Supports Troops - Stateside

Woodbridge, VA, April 9, 2010 — Belvoir Federal Credit Union supports the National Movement of Cell Phone For Soldiers by offering our branch locations as a drop-off location for the community to donate their used cell phones for recycling so the returned value can be sent in phone cards to soldiers serving overseas.

The Cell Phone For Soldiers campaign began with a brother and sister duo who thought it was unnecessary that a soldier pay a \$1,000 phone bill when calling his family in the states while serving in Iraq. Since the campaign's inception, millions of dollars in phone cards have been sent to our troops overseas. To contribute to our community and our men and women serving this country, Belvoir Federal has opened our doors to become a drop-off location for this cause.

In addition to becoming a part of the Cell Phone For Soldiers, Belvoir Federal will also match each cell phone donated with \$1 to the final contributions that we send to the organization, up to \$500. If you are interested in being a part of this movement and/or helping those serving our country, please visit any of our branches and make a cell phone donation.

Belvoir Federal Credit Union is a full-service, member owned, not-for-profit financial cooperative providing the foundation for the financial success of our Members. For more information about Belvoir Federal Credit Union, please visit our Web site at www.BelvoirCreditUnion.org
