For CUXcel checking accounts: The qualification period is defined as a period beginning on the last business day of the month and continuing through the next to last business day of the following month. For example: The rate that applies for the dividend period beginning March 1 and ending March 31 will be based on service requirements met for the qualification cycle beginning February 29 and ending March 29, 2012. The dates circled on the calendar notate the **end** of the qualification period for each month. The day after represents the first day of the following qualification period

2012
