Introducing New Online Technology to Belvoir Federal

Woodbridge, VA, March 21, 2011 — Belvoir Federal Credit Union is continually striving to find convenient solutions for their members. In an effort to serve members in a safe, secure online environment, Belvoir Federal has launched a new service called DocuSign. DocuSign allows members to electronically sign and send documents to complete transactions and applications.

With the easiest way to complete agreements, Belvoir Federal is now able to finalize a loan quickly and proficiently without geography or time hindering the process. Faye Huntley, a Contact Center Specialist at Belvoir Federal stated, “DocuSign is effortless and convenient for our members to receive and return loan documents in a timely manner which enables them to receive the money they need right when they need it the most.”

DocuSign is the market leader and global standard for electronic signatures which provides the world’s largest and fastest growing electronic signature platform that empowers companies to complete their transactions quickly and securely while improving compliance and dramatically reducing processing costs. For more information, visit www.docusign.com.

Belvoir Federal Credit Union is a full-service, member owned, not-for-profit financial cooperative providing the foundation for the financial success of our Members. For more information about Belvoir Federal Credit Union, please visit our Web site at www.BelvoirCreditUnion.org
